ONE

October 10-12, 2008

2008 Fall Conference

Litchfield Beach & Golf Resort

Pawleys Island, SC

Join marine educators from around the state to explore SC's watersheds, their connection to our coastal ocean and human interaction.

Registrants received educational resources such as recertification credit, posters, lesson plans, support for integrating current research in the classroom and much more!

www.scmarineed.org

***Pre-conference workshop:**

Come early to work with Coastal Carolina University's scientists on Waites Island for experience in current research techniques and processes.

***Field Trips:**

- Brookgreen Gardens
- Huntington Beach State Park
